

## **FEEDBACK ANALYSIS AND ACTION TAKEN REORT**

**2022-23**

The faculties of the respective departments of Silchar College designs and collects feedback from its stakeholders to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms were collected from students, teachers, alumni and parents/guardians.

The feedback targets following different content for different stakeholders. For students, it addressed curriculum and its learning related issues in terms of quality, competence, skills and professionalism. This feedback also considers other issues like delivery of curriculum by teachers and their methods of teaching, mentoring system, availability of books in the library etc.

For teachers, the feedback addressed issues like suitability of the course and its need base, outcomes of the curriculum, relationship with course content and corresponding reference material, availability of reference materials in terms with curriculum, evaluation methods and curriculum delivery, etc.

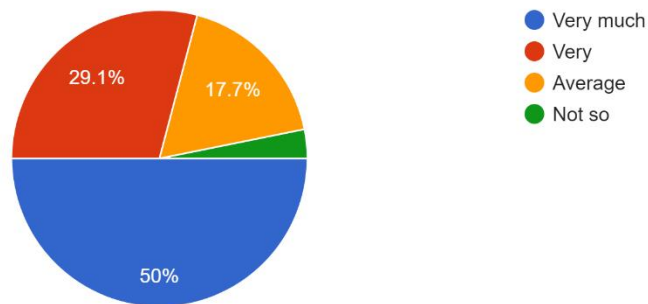

For parents, it is designed for their opinion on teaching learning environment of the institution, curriculum, syllabi, co-curricular activities and the behaviour of the staffs (teaching and non-teaching).

For alumni, it aimed for responses on adequateness of courses curriculum, sufficiency of syllabus content in context of current professional standards and curriculum design in context of development of self-directed learning and problem solving approach.

### **A Few suggestions/feedback regarding the functioning of the College:**

- All the sir and Madam of the college are very good and they study us very carefully.
- The educational system and progressive condition of the college is going very well at present, it will continue like this in the future and it will be good if it goes on the path of a little more development.
- Some teachers do put their best efforts (which is appreciative), while some do not. It is expected that all teachers of respective departments actively engage in actually helping out their students and uplifting them.
- I feel very good after giving admission of my daughter her name is - Khaleda Begom Borbhuiya. Because she feelings better because she understands that all teachers are always helping her to study and she always gets all kinds of study materials. She gets supports from all teachers and principal sir. I hope one day my daughter will have succeed in her life. Because she is student of this college.
- Try to ease the office work from the professors who are working in office also so that they can conduct at least maximum sessions regarding the particular subject along with the students
- Thanks
- All the teachers and staffs are very supportive. Love to all the teachers and specially my subject teachers
- I am satisfied this college
- Nothing
- Best college
- Not bad 👍
- Good 😊👍
- This college is very good
